The poster features a dark blue background with white snowflake patterns. At the top, the text "GIRLS LINK UP" is written in pink, with a chain-link graphic replacing the word "LINK". Below this, "WINTER BREAK CAMP" is written in yellow. A central text block describes the camp as a "Cute and Cozy STEAM & SEL Camp" for 3rd-5th grade girls, highlighting daily themes and hands-on learning. To the right, two Polaroid-style photos show groups of girls in pink shirts. A large blue circle contains the price "\$150 PER GIRL". At the bottom left, icons indicate the time (8 AM - 3 PM) and dates (Monday-Friday, February 17-21). A white button with the text "REGISTER NOW" is positioned below the time. At the bottom, contact information is provided in pink text. The 3D Girls logo is in the bottom right corner of the poster area.

Event Overview: In a world where Black women's contributions are frequently uncredited, we are reclaiming the narrative. "Unseen and Unstoppable" is a celebration dedicated to amplifying the voices and contributions Black women and girls have made to society in the past, present, and future. Through the powerful mediums of performing arts and community dialogue, this event aims to shine a light on the brilliance of our girls and our collective hopes for the future, imagining what the future can look like with Black women leading the way.

The evening will highlight stories of pioneers who shaped our history yet remain unsung, while also envisioning a future where Black women's impact is fully recognized and celebrated. In the style of TedEx, anchored in the spirit of Afro-futurism, "Unseen and Unstoppable" looks forward to a future where Black women lead, create, and inspire without limits. Join us for a night of reflection, celebration, and visioning a future where Black girls are truly seen and unstoppable!

Theme: Honoring the Past, Thriving in the Present, Co-creating our Future
