Breast Cancer Awareness Month

At 3D Girls Inc, we know that strength comes from community.

This Breast Cancer Awareness Month, we stand with the women, families, and survivors whose stories remind us of the power of resilience and hope.

Something to look forward to...

2025 American Heart Association Heart Walk

We plan to have ambassadors participating in the 2025 American Heart Association Week Walk. It is more than just steps--it is leadership, service, and connection in action.

International Day of the Girl

We are also partaking in the International Day of the Girl celebration hosted by GPB Studios, dedicated to giving girls a platform to see and connect with inspiring possibilities.

Let's keep the energy going into next month. This would not have been possible without your contributions and support!

Thank you!
